

## **4 NIGHTS / 5 DAYS – IMPHAL & KOHIMA**

### **DAY-01: ARRIVAL AT IMPHAL & IMPHAL HALF DAY LOCAL SIGHTSEEING**

Welcome on arrival at Imphal, the capital city of Manipur, famous for the “Sangai — The Brow-Antlered Deer”, that is just native to Manipur. Its name is derived from the term “Yumphal”, which means the land of many villages, and so rightly that defines Imphal, because its landscape is all but a mix of hills, valleys, forests & several rivers. Imphal has good connectivity with major cities as that of Guwahati, Kohima, Agartala, etc. Check in at the hotel.

After freshening up, proceed for a half day sightseeing covering “Kangla Palace” — which was earlier situated on both sides (western & eastern) of the bank of the “Imphal River”. But only the ruins remain now on the western bank of the river. Kangla means “Dry Land” in Old Meitei. It was the traditional seat of the past “Meitei” Rulers. Later proceed to visit “Ima Keithel” — The largest market run by women only. In Manipuri, “Ima” means “Mother” & “Keithel” means “Market”, Hence it is known as the Mother’s Market. This showcases the strong foothold the Manipuri Women hold in Society. Most of the items found in the market are locally made, and it covers every essential product that one needs, ranging from Manipuri dolls, scarves, other handmade decorative items to vegetables, fruits etc.

Later in the evening transfer back to City Hotel. Overnight at Imphal.

### **DAY-02: EXCURSION TRIP TO LOKTAK LAKE & KEIBUL LAMJAO NATIONAL PARK**

This is the only official museum dedicated to the Second World War in Manipur as of today). Loktak Lake is the largest freshwater lake in Northeast India, that is in the Bishnupur District just 50kms from Imphal & which is famous for its circular floating swamps or “Phumdis” or the heterogeneous mass of vegetation, soil & organic matter at various stages of decomposition floating over it. The term “Lok” means “Stream” & “Tak” means “The End”; the lake plays an eminent role in hydropower generation, irrigation & drinking water supply. Later also visit the “Keibul Lamjao National Park”, located in the Bishnupur district of the state of Manipur, its speciality being the only Floating National Park in the World. It comprises 40 sq.km. of wetland overgrown with 1.5m deep floating vegetation called the “Phumdis”.
